Dear Members,

On behalf of the Board of Directors, I would like to thank all the members who attended the Annual Conference, both in person and virtually, and hope you gained some new knowledge and information, as well as networking with some fellow members from other jurisdictions across the state. A big thank you to the co-chairs Shannon Morgan and Troy Powell for organizing this year's Annual Conference.

I would like to let all of you know that I am truly honored to be able to serve as President of this great organization. I look forward to serving the members of this organization to the best of my ability and leading us into the future during these unique times we are faced with. I, along with the Board of Directors, will work hard to ensure that we continue to offer you the desired needs of education, training, and peer networking that you require to maintain your professional certification, and that has become the gold standard for our organization.

I would like to encourage all of you to please consider volunteering for some of the many roles within the organization. We are constantly looking for fresh ideas and fresh faces to come in and be the next leaders of this association. This opportunity can help broaden your knowledge of the organization, and of how zoning is handled throughout the state by networking with other volunteers from other jurisdictions.

Lastly, if there is anything you would like to see the organization change or implement, please contact a Board Member and start a conversation about your idea. We are here to help this association succeed, and we can't do it without you.

Sincerely,

Chris Marland, CZO
