Vacant

Greetings NCAZO Members and Friends.

As we start to welcome in much warmer weather, that means it is almost time for the Annual Conference! I hope you are getting as excited to get together as we are. Your Co-Chairs for the event, Rebecca Harper and Joe Garnett, are working hard to finalize all the details for this wonderful event. This conference will be the first event that is entirely in person since the start of the pandemic. Yes, in-person networking is back! Some of the best practices and ideas I have heard while being a part of this organization have been from the group style of networking that occurs at our events. While the virtual option provided us a way to carry forward, we are very pleased to return to an all in-person conference. Please keep an eye on the website, your email, the listservs, and social media for more information on this event in the very near future.

As usual, I would like to encourage all of you to please consider volunteering for some of the many roles within our organization. We are still looking for fresh faces to come in and be the next leaders of this association. Please reach out to any of the Board members with any questions regarding the various volunteer roles that may be available.

I am looking forward to seeing you all in Wilmington in August and can't wait to network and see and hear what you've been up to.

Sincerely,

Chris Marland, CZO
NCAZO President
